Sketchy Edge Properties	88
Sketchy Stroke Images	91
Creating a New Sketchy Edge Style	94
Techniques for Creating Sketchy Edges	97
Where to Find More Styles	97
Fog	97
Fog and Scenes	100
Scenes, and Animation	101
Position Camera	104
Updating Scenes	108
Animation	112
Using Layers and Scenes for Exploring Design Options	113

Chapter 7: Creating a Model from 2D Plans

Creating the Walls	117
Adding Components	120

Chapter 8: Google SketchUp and Google Earth

Placing a Model in Google Earth	125
Finding the Model's Location	125
Changing and Relocating the Model	128
Saving Google Earth Files and Models	133
3D Warehouse	137

Chapter 9: Program Settings

Model Display	141
Edge Settings	141
Face Settings	145
Background Settings	148
Watermarks Settings	149
Modeling Settings	149
Perspective and Parallel Views	150
Preferences > Compatibility	151
Importing	151

Chapter 10: LayOut

Creating a Template	153
Inserting an Image	153
Adding Text	155
Adding Shapes	158
Saving the Template	160
Layers and Pages	162
Layer Locking and Master Layers	162
Changing the Inside Pages	164
Changing the Cover Page	166
Creating Shapes in LayOut	167
Inferences	168
Shape Styles	169
Arranging	171
Creating Complex Shapes	173
Lines, Labels, and Text	177
Lines	177
Labels	179
Text	181
Inserting Content	182
Inserting Images	182
Inserting SketchUp Models	185
Inserting Text	192
Scrapbooks	195
Output	198
Printing	199
